DYNEX PALLISIDE®

PALLISIDE® Boxed Corners, Window Facings and Accessories

Key Features

- Boxed Corner options available for different applications, including standard corner (as shown), 135° corners, flat boxed jointers and endcaps.
- Same resilient material as PALLISIDE® weatherboards – and included in the same 25-year warranty.
- Available in Slate and White to match our most popular weatherboard colours.
- Pre-cut scribes match the PALLISIDE® traditional weatherboard profile – saves time on site.
- Never needs painting.
- Designed and made in NZ for our unique climatic conditions – withstands harsh UV and rainfall levels without degradation.
- Strong durable performance in salt laden coastal environments.
- Suitable for cavity and direct fix construction.
