

## **PALLISIDE® PRODUCT WARRANTY**

### **Product Information**

- PALLISIDE® is suitable as an exterior/interior cladding for horizontal or vertical application subject to the current PALLISIDE® Installation & Technical Guide.
- If PALLISIDE® is to be used in any applications not covered by the current Installation and Technical Guide, written confirmation of suitability should be obtained from Dynex Extrusions Limited prior to the commencement of the project.
- Over time there will be fading and chalking of colours as is customary with all exterior pigmented finishes. This will not affect the long-term durability and weather protection of PALLISIDE®. Chalking can be removed by periodic washing with warm soapy water.

### **Warranty**

- Subject to the above product information, if PALLISIDE® is used and installed according to Dynex Extrusions Limited's published recommendations, we guarantee PALLISIDE® to be free from defects in material and workmanship for a period of 25-Years from the date of purchase.
- If you consider that our warranty has not been fulfilled, do not attempt repairs or replacement but contact in the first instance the installer or alternatively Dynex Extrusions Limited P O Box 19-133, Avondale, Auckland. Dynex Extrusions Limited will then recommend appropriate course of action.
- If PALLISIDE® has been used and installed in accordance with the requirements of this warranty (set out above) but does not comply with that warranty, we will replace the product or refund its purchase price.
- This warranty is given to consumers as defined in and who have the rights under the Consumer Guarantees Act 1993 and should be read with the statutory consumer guarantees contained in that Act.
